

**TOTAL**  
**\$26.5bn**

## BRISBANE'S KEY PROJECTS

### **Brisbane Live precinct**

**Cost: \$2bn**

*Timeframe: 2018-2022*

A \$2bn arena-centred entertainment precinct at Roma Street, Brisbane with a Madison Square Garden-style 17,000-seat entertainment arena as its centrepiece.

### **Cross River Rail**

**Cost: \$5.4bn**

*Timeframe: 2017-2024*

A 10.2km rail line between Dutton Park and Bowen Hills that includes a 5.9km twin tunnel under the Brisbane River and the CBD to be used by 164,000 commuters daily.

### **Millennium Square**

**Cost: \$2bn**

*Timeframe: 2018-2021*

Millennium Square is touted as Australia's first 'mediapolis', co-locating new knowledge media businesses in a world-class workplace within a vital and vibrant urban precinct.

### **Brisbane Quarter**

**Cost: \$800m**

*Timeframe: 2016-late 2019*

Includes Australia's first purpose-built W Hotel, two levels of riverside dining and luxury retail shopping beneath a 40-storey office tower and an 82-storey apartment building.

### **Howard Smith Wharves**

**Cost: \$200m**

*Timeframe: 2017-late 2018*

The Howard Smith Wharves are being transformed into a world-class 2.7ha riverside recreation, lifestyle, event and tourism precinct with access to and from the Brisbane River.

### **Queen's Wharf**

**Cost: \$3.6bn**

*Timeframe: 2017-2024*

An integrated resort development covering more than 26ha. The project includes five new hotels, including The Ritz-Carlton Brisbane, which will provide more than 1000 hotel rooms.

### **Northshore**

**Cost: \$5bn**

*Timeframe: 2020-2035*

Northshore is the largest waterfront urban renewal project in Queensland with luxury riverside apartments, commercial space, retail shops, restaurants and bars.

### **Brisbane Showgrounds**

**Cost: \$2.9bn**

*Timeframe: 2017-2018 (Stage 3)*

The regeneration of more than 22ha on the Ekka site into a year-round destination. It includes 340,000sq m of residential, commercial and retail buildings.

### **Brisbane Metro**

**Cost: \$1bn**

*Timeframe: 2017-2023*

A high frequency rapid transit transport system along 21km of existing busway from the Royal Brisbane and Women's Hospital to Eight Mile Plains. It includes 18 stations.

Queen's Wharf
